

Application Information

Students seeking admittance to the school are evaluated on the basis of their spiritual walk, past academic achievements, behavior references, admissions questionnaires, interviews, and demonstrated potential for success at JECHS. We will admit students of any race, color, or national ethnic origin.

What are the spiritual requirements for admission?

At least one parent and the student must be born-again believers in Jesus Christ and regularly attend a Bible teaching church.

What are the academic requirements for admission?

No less than a 2.0 GPA with no F's and average or above standardized test scores are required.

Prospect List

Families may register their student on the Prospect List by completing the Prospect Form starting when their student is in the 6th grade. This does not guarantee enrollment but it does ensure the family of getting the latest enrollment information. The students and parents are invited to 8th Grade Emerging Eaglet Parties to give them an opportunity to learn more about the school. They also receive a direct invitation to **Preview Day**, which is held every January, and marks the beginning of the enrollment period.

Applications are only accepted during the enrollment period.

At all other times, the Prospect Form must be completed. The Prospect Form will be kept on file in the school office. The family will be contacted when an opening occurs to start the application process.

Application Procedures

1. Only completed application packets are accepted.
2. Interviews spaces will be limited to the number of openings in each grade level. The student and at least one parent with whom the student will be residing while attending JECHS must be present at the interview (both parents are preferable at the interview).
