

Additional Programs And Policies –

Tuition Assistance

JECHS has limited funds available for financial aid for qualified candidates. Apply on-line at www.tuitionaid.com. There is a \$29 processing fee. Families must apply every year.

While JECHS is concerned that its educational program be available to every young person who fulfills the entrance requirements, the school can only offer financial assistance as funds are available through donations to that ministry. If you are interested in supporting this ministry, please contact the school business office.

Late Enrollment

The registration, book, and insurance fees are payable in full upon enrollment, regardless of the time of enrollment. Tuition will be prorated based on the portion of the school year remaining at the time of enrollment. Payment must be made in advance or on a monthly basis in equal payments through May of the current school year.

Early Withdrawal

A \$100 withdrawal fee will be assessed. Tuition is payable for the entire month for any student who has attended any portion of the month. All charges related to the student's enrollment are to be paid as of the date of withdrawal. Should a student be dismissed for any reason, all policies related to early withdrawal will apply.

Tuition Management

The School Board, has contracted with FACTS Management Company to manage our tuition payment program. Some of the advantages are: convenient online payment plan sign-up, maintain the demographic and financial account information online, receive e-mail payment reminders before your payment is due, and multiple payment options.

There is a \$41 yearly processing fee per family for those on a 10- or 11-month payment plan. For those requiring a paper invoice from FACTS, the fee is \$45. Those making annual or biannual payments through the school will have fees waived. More detailed information is available from the Business Manager.

Past Due Account

Accounts remaining past due are reported to a credit reporting agency.

JECHS reserves the right to dismiss a student from school when the student's account becomes 60 days past due.

JECHS admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at this school.
