

The Eagle Edition

Student Leadership Conference

Our Student Council will be attending the ACSI Student Leadership Conference on November 12-14 at Mt. Hermon Conference Center. The featured speaker Ben Williams, Summit Ministries, will be talking about the various ideas in American culture and how to take those ideas captive to the truth of Christ. This will be a great addition to what our students heard at Camp 2007 about deceptive World-views. In addition, students will attend workshops in leadership development and sessions where they will share ideas and concerns with other student leaders who serve in similar capacities. There are many informal opportunities for activities and times of fellowship throughout the conference.

SCRIP for Christmas

Purchasing Scrip is the same as purchasing a gift card except that the merchant pay JECHS a percentage. Give gift cards to relatives and friends for birthdays, graduation, Mother's Day and Father's Day, Christmas, weddings, etc. Scrip is especially good when you need to mail a gift. Give it to teachers, the mailman, newspaper deliverer, hairdresser, etc. at holiday time. Pay for your home improvement projects with Scrip. Use it to pay for your business and family holiday travel. Pay for business purchases with Scrip. Collect orders for Scrip from your family, neighbors and friends. It is available for merchants all over the country. Use Scrip for your online purchases.

Busy Times for JECHS Interact Club

- Geweke has awarded our Interact club the Youth Service Award which includes a check for \$500 for the club. This award is given to youth organizations in recognition of their service to others.
- The Interact Club will be serving Chinese food for lunch on Tuesday, October 28, for \$5. The proceeds will be used to help the needs of local families in crisis. Our hope is to give a gas card and gift basket to several families.
