## Opening Doors at JECHS - You are the key!

With only a little over two weeks left of 2009, we are continuing to pray for a great outpouring of financial blessings through our End of the Year Giving Campaign. Please join us in praying for this campaign and consider making a donation. A donation to JECHS is truly an investment in today's youth and tomorrow's voters. Make sure your gift is postmarked by December 31 if you desire the tax deduction for 2009. The school address is: 2695 W. Vine St., Lodi, CA 95242.

## Searching Supports JECHS

Do you ever search the Internet? Of course you do! We all do - from looking up information for research projects, checking out movie reviews, searching for that perfect recipe, or shopping online - we use a search engine.

Now you can earn money for Jim Elliot every time you search! Simply go to [www.Goodsearch.com](http://www.Goodsearch.com) (operated by Yahoo) - choose Jim Elliot Christian High School (Lodi, CA) - and then start searching for what you need. We receive 1 cent for every search. That might not seem like much BUT it adds up fast! If one person from each JECHS family (approx. 200) performed 2 searches a day, we would earn \$1460.00 this year. Now if you multiply that number by every family member of a JECHS student we would earn well over \$6,000! And what would happen if all your friends & extended family members picked JECHS as their charity & searched through Goodsearch? How many more scholarships could we give if you used Goodsearch instead of Google?

We can even earn more by shopping through Goodsearch. Just click on the shopping tab & see hundreds of stores & companies that give a percentage of the online sales to your favorite charity. It's like SCRIP online from your own computer.

You can even make Goodsearch your Home Page so you never forget to earn money for the school while you search!
